SENATE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF HEALTH TO PROVIDE ANALYSIS AND
RECOMMENDATIONS ON THE ESTABLISHMENT OF A CERTIFICATION
PROCESS, OVERSIGHT BOARD, AND REIMBURSEMENT PROCESS FOR
COMMUNITY HEALTH WORKERS.

1 WHEREAS, community health workers comprise one of the
2 country's fastest growing occupations, according to the Bureau
3 of Labor Statistics; and
4

5 WHEREAS, community health workers act as integral members
6 of care teams in clinical settings by educating communities,
7 administering basic care, and helping individuals to navigate
8 the health care system; and
9

10 WHEREAS, community health workers serve diverse communities
11 including underserved rural areas and areas with low-income,
12 uninsured, homeless, immigrant, and migrant individuals; and
13

14 WHEREAS, community health workers often have a close
15 understanding of and relationship with the areas they serve,
16 enabling them to act as trusted liaisons between service
17 providers and at-risk community members; and
18

19 WHEREAS, the State's growing community health workforce
20 would benefit from clearer guidance, oversight, and support;
21 now, therefore,
22

23 BE IT RESOLVED by the Senate of the Thirtieth Legislature
24 of the State of Hawaii, Regular Session of 2019, the House of
25 Representatives concurring, that the Department of Health is
26 requested to provide analysis and recommendations on the
27 establishment of a certification process, oversight board, and
28 reimbursement process for community health workers; and

BE IT FURTHER RESOLVED that the Department of Health is urged to consider:

- (1) Analyzing existing state policies on the certification of community health workers;
- (2) Studying the feasibility of designating a state agency or community health workers association to provide oversight and input to the Legislature;
- (3) Recommending legislation to drive and support the certification process; and
- (4) Recommending best practices and policies related to community health workers, including recommendations on proposed contract language and budget management; and

BE IT FURTHER RESOLVED that the Department of Health is urged to consider the feasibility and advisability of the following competency standards for certification:

- (1) Oral and written communication skills;
- (2) Cultural competency;
- (3) Ability to identify local resources and navigate the local health care system;
- (4) Advocacy and community building skills;
- (5) Teaching skills, specifically the ability to teach and promote healthy behaviors;
- (6) Knowledge of outreach methods and strategies;
- (7) Health care and public health literacy;
- (8) Understanding of ethics and confidentiality issues; and
- (9) Health information technology competency; and

1 BE IT FURTHER RESOLVED that the Department of Health is
2 encouraged to consult with other state departments, agencies,
3 and community stakeholders in developing its recommendations;
4 and

5
6 BE IT FURTHER RESOLVED that the Department of Health is
7 requested to report its findings and recommendations to the
8 Legislature no later than twenty days prior to the convening of
9 the Regular Session of 2021; and

10
11 BE IT FURTHER RESOLVED that a certified copy of this
12 Concurrent Resolution be transmitted to the Director of Health.
